

Clerk's Report – December 2016

The Clerk has been in touch with Island Roads regarding a wooden casing for the litter bin on the Lower Green. Island Roads have replied and will provide costings.

The planning application for Ashlake Water, Ashlake Copse Road has been approved but the application for no.55 Fishbourne Lane has been refused.

There was a problem with the computer last week but half an afternoon in PC World solved it – something unknown was preventing the computer from linking with the router.

The Clerk has been corresponding with Rights of Way regarding the problems with the bridleway linking Ashlake Copse Road and Ashlake Copse Lane. This is likely to be an agenda item in the near future.

The Clerk attended a very useful training day last month, organised by the IW branch of the Society of Local Council Clerks. It included refreshers on budgeting, agendas and auditing.

The Clerk has chased Mr Alexander for the bill for repairing the noticeboard on Kite Hill.
