

Chairman's Report – Fishbourne Parish Council 11<sup>th</sup> June 2020

**Wightlink – Lorries refrigeration units** – The local residents have been talking with the staff at Fishbourne regarding this issue but appear to not be making the progress they thought. Now they appear to have hit a brick wall they are asking for help. From the copy correspondence I have one occasion was a Sainsburys lorry and the other a DHL lorry.

If the rest of the PC agree I would like to suggest that we request the Clerk to write to Martin Gulliver to request a meeting and also to the two companies mentioned (I understand that a Nick Davis is the Transport Manager for Sainsburys) also asking if we could meet with them to discuss the possibility of operating in such a manner as not to cause annoyance at Fishbourne

**Newsletter** – I thought the new format was a great improvement – well done to the team that put it together – but can you make the children's puzzles in a larger type to give me a chance of seeing them properly!!
