The PC objected to this application – officers justification attached

Refused

20/01956/RVC 20 Firestone Glade - Removal of condition 3 on 20/01095/HOU restricting permitted development rights

The PC objected to this application

Bird Interpretation Board

Bird Aware Solent have passed the draft to their graphic designers and are awaiting their design.

IWC Town and Parish Council meeting 30th November

I attended this over Teams. There were a good selection of town and parish councils represented and the main thrust was the Covid arrangements and the impact on the IWC budget, plus the opening of the budget consultation for 2021/21. Town and Parish Councils are invited to submit their suggestions for budget savings through further devolvement. However, I don't think there is anything in our parish that we could take over from the IWC.

A question was asked about the savings from the works at St Marys junction, but those funds are ringfenced for highways provision and maybe for St Georges Way/Coppins Bridge improvements.

Turning Circle Sign

The order is with Signpost Express.

IWC Cabinet on the Road

The PC has an invitation to the virtual IWC Cabinet on the Road along with Wootton and Havenstreet and Asheys PCs. This is scheduled for Thursday 4th February at 6pm. If we have any particular topics we would like to discuss we can forward them in advance.
