

*Calling all creative "Fishbournites", and their children and grandchildren wherever they are!*

## Easter Bonnet/Bunny Competition

You are all invited to take part in a competition to create a funny/quirky/beautiful or just colourful Easter "Bunny" (maximum height 1 metre) or "Bonnet", made from anything you like (possible extra points for recycled materials).

Your bunny can be dressed in any outfit or as a character of your choice, and your bonnet can be as elaborate and funky as you wish. Think outside the box!

Please photograph your entry with its creator, and email it to Jane Pearson,

([tony\\_pearson@talk21.com](mailto:tony_pearson@talk21.com)) or Sarah Talbot, ([sarah.talbot44@btinternet.com](mailto:sarah.talbot44@btinternet.com)) by 1st April, when judging will take place. Include names and contact details so we can get in touch.

Prizes will be awarded in both categories.

So, start collecting useful materials and get creative.

What better way for you and/or your family to spend the last few weeks of "Lockdown".

Have fun!
