

## **Clerks Report April 2021**

Not much to report, the end of the year accounts are ready for internal audit, however, Gordon Tutton has decided to retire so I will source another auditor. I use Gareth Hughes for my other council as he is a respected auditor, so I will contact him to find out if he is interested in taking this on.

Details of the parish election nominations will be available on 9<sup>th</sup> April, when we will know if there are contested seats.

Grateful thanks have been received for the donations made last month and the Suicide Prevention and Intervention team have offered to attend a meeting in the future to detail their work.

### Planning Appeal

An appeal has been lodged for The Barn, Elenors Grove.

### Bird Interpretation Board

So far one quote has been obtained for installing the board and I am meeting another contractor on Thursday (8<sup>th</sup>). I will continue to pursue an additional quote.

### Bins

The easing of lockdown has brought more people out to use public spaces and I seem to be continually reporting overflowing bins! Island Roads have agreed to increase the emptying of the one at Quarr to three times per week and this will be monitored over the next few months.
