

Clerks Report September 2021

Bird Interpretation Board

And the saga continues.....we are still waiting on AJ Wells as they are expecting new decals. No firm date for completion has been given.

Planter on Junction

Aspire hope to install by the end of next week, if we would like any particular plants included, please let me know asap.

Isle of Wight Local Transport Plan 4 - Stakeholder Engagement Workshop

There is an invitation to join an online workshop on 23rd September between 10 and 12pm or an evening workshop the same day between 6pm and 8pm. There can only be one delegate per council. I am attending with my other hat so please let me know if you would like to attend and I will forward the details.

Speedwatch

IWC Dore refers to the Speedwatch scheme in his report and highlights the gun that has been purchased by other PCs. The cost is £203 (with batteries).

All other items are on the agenda.
